- B. Only one member may represent a protected business category and only one protected business category may be represented by a member unless approved by the MBN Board of Directors ("Board"). Therefore, the list of assigned protected business specialties will be determined and defined by the Board. Any person representing a multi-level marketing company will not be considered for membership.
- C. Although occasionally a guest may be invited to attend a meeting for reasons other than

prospective membership, generally only prospective members will be invited and the guest's primary business category may not adversely impact the primary business category of an existing member. To avoid this, the member should directly contact the member who might be affected, or talk to the Membership Director. In the event that the guest does not pay the required guest fee, the member will be responsible for payment.

- D. A prospective member must attend three out of four consecutive meetings as a guest, complete an application for membership, then return the application to the Membership Director, along with a one-time application fee prior to being eligible for membership. One half of the application fee shall be refunded if membership is denied.
- E. Upon receipt of a prospective member's application, the Membership Director shall send an email to all members notifying them of the prospective member's name, business name and intended category (including a description of their business and the product or service they sell). The membership will have 48 hours to respond to the Membership Director with any objections or concerns regarding the prospective member, otherwise, the membership Director will conduct an investigation of the background of each prospective member, as is reasonably required, to confirm his/her business and personal integrity, to confirm the prospective member's business category and whether there are conflicts with other members of a magnitude that could justify membership denial. The results of the investigation, along with a recommended action, shall be reported to the Board of Directors by the Membership Director for vote on the membership application. After the Board's approval, there will be the formality of a formal vote on a new member at a regular Thursday meeting by all the members present. The objection of any one member, with reason, will bar any individual, with the exception of an appeal to the Board. Thereafter, the decision of the Board will be final.
- F. A change of protected business category by existing members shall require the submission of a new application for membership without fee. It shall be the member's responsibility to notify the Membership Director of any changes in status or address.
- G. A member may reserve his/her protected business category and retain membership during a leave of absence, not to exceed 13 weeks in a calendar year, unless extended by action of the Board of Directors, by obtaining approval of the Board of Directors and by payment of fifty percent dues while on leave. A request for a leave of absence must be made in writing and submitted to the Board of Directors within two weeks of the beginning date of the leave. The request must state the beginning and ending date of the leave and the reason for the absence.
- H. When a member's dues are delinquent for a period exceeding forty-five days from the due date, which is defined as the first day of each calendar quarter, the member's business category shall be open and their membership will be terminated. If a member is terminated for non-payment of dues and later seeks to become a member again, then he/she must submit an application for membership and go through the normal membership process. Additionally, along with the submission of a new application, the former

member must pay any past due fees or such former member will not be considered for membership.

- I. Membership will be subject to termination upon review by the Board if a member fails to attend three consecutive meetings without approved leave of absence. If the Board has terminated a member's membership, he/she must resubmit an application for membership without fee and must comply with the requirements of sections D, and E. above. A member may have another person attend a meeting as an alternate in his/her place no more than six (6) times in any calendar quarter, not to exceed two (2) times in a month. The alternate may be an employee or business partner in the member's business. The alternate may also be from an open category as a prospective new member.
